Como Swivel Lounge Chair

A nod to the iconic Italian elegance of Lake Como, our Como collection refines the traditions of fine Italian tailoring for a natural setting with organically-inspired signature curves and luxe outdoor upholstery. The barrel-backed Como Swivel Lounge Chair channels the high design and comfort of an indoor piece — expertly upholstered in performance textiles in Riviera Ivory over quick-dry foam on a solid teak base in Natural. Engineered for a supported sink-in feel, this outdoor lounge chair is an elevated take on comfort that swivels for ease of movement. Also available in a static lounge chair design.

FEATURES

- Swivel mechanism rotates in a continuous 360 degree swivel; the swivel does not spin-back to an original orientation, but remains as last positioned.
- If the furniture will remain covered and not used frequently, we recommend periodically taking off the covers to allow moisture and humidity to dissipate from inside allowing the furniture to breathe. This helps reduce trapped humidity if the furniture is not regularly used.
