## Victoria Aluminum Oval Stone Coffee Table

Our Victoria collection balances sculptural curves and right angles for true simplicity of proportion. The Victoria Teak Oval Stone Coffee Table was designed as the perfect anchor for your seating set — featuring a solid Indonesian teak base in Natural supporting an exaggerated oval travertine stone top. Special details like curved edges and a half-bull nose add extra refinement. Functional for sofa pairings but still very much a statement piece, this contemporary outdoor coffee table brings harmony to a variety of spaces.
