Hayman Aluminum Dining Chair

Our Hayman collection is a statement in simplicity with clean angles and modern styling. Our Hayman Dining Chair was designed as the perfect everyday seat — enjoy a simple, modern chair with an aluminum extrusion frame available in Asteroid or White supported by a Batyline sling suspension in Silver or White for added comfort and easy cleaning. Indoor-inspired comfort meets outdoor performance with this modern dining chair made for a variety of spaces. Pair it with any Hayman dining table to complete the outdoor dining set.

FEATURES

- Frame handcrafted of extruded aluminum in our workshop
- Superior quality powder coating applied for weather resistance
- Batyline mesh sling suspension adds comfort to the sit and overall functionality. Batyline mesh is easy to clean, as well as resistant to fading, stretching and stains.
- Our custom outdoor covers are strongly recommended as an extra layer of protection against the elements and natural aging
- If the furniture will remain covered and not used frequently, we recommend periodically taking off the covers to allow moisture and humidity to dissipate from inside allowing the furniture to breathe. This helps reduce trapped humidity if the furniture is not regularly used.
