Hamilton Swivel Lounge Chair

A remix on our classic Hamilton Lounge chair, now with a Swivel and plinth base for function and style. Aluminum structure is hand wrapped with all weather rope. Thick seat cushion adds solid comfort and grounds the swivel chair in support and motion.

FEATURES

- Frame handcrafted of extruded aluminum in our workshop
- Back and arms handwrapped with all-weather Olefin rope, a defining feature of the collection that adds comfort and visual interest
- Superior quality powder coating applied for weather resistance
- 1 seat cushion and 1 knife-edge back cushion included. Resistant to outdoor mildew, stains and fading.
- Quick dry flow-through foam seat cushion features a Dacron wrap for sink-in comfort. Back cushion is filled with Dacron.
- Our custom outdoor covers are strongly recommended as an extra layer of protection against the elements and natural aging –Aluminum Swivel Mechanism allowing 360 degree smooth turning
- Swivel mechanism rotates in a continuous 360 degree swivel; the swivel does not spin-back to an original orientation, but remains as last positioned.
- If the furniture will remain covered and not used frequently, we recommend periodically taking off the covers to allow moisture and humidity to dissipate from inside allowing the furniture to breathe. This helps reduce trapped humidity if the furniture is not regularly used.

Width:	37 in / 940 cm
Depth:	32 in / 813 cm
Height:	25.7 in / 653 cm
Weight:	46.7 lb / 21.2 kg
Seat height:	16.6 in / 421 cm
Arm height:	22.1 in / 560 cm
