## Antigua Rectangle Coffee Table

Our Antigua collection brings European styling and a new vision to the coastal lifestyle. Clean lines and sleek, curved corners define our Antigua Rectangle Coffee Table — featuring extruded solid aluminum in Asteroid or Taupe topped with Italian ceramic available in Noir or Grigio that floats on a plinth base. Designed to look just like stone, this modern rectangular outdoor coffee table naturally has a stronger resilience to endure the elements over years of beautiful use.

### FEATURES

- Frame handcrafted of extruded aluminum in our workshop
- Superior quality powder coating applied for weather resistance
- Our custom outdoor covers are strongly recommended as an extra layer of protection against the elements and natural aging
- If the furniture will remain covered and not used frequently, we recommend periodically taking off the covers to allow moisture and humidity to dissipate from inside allowing the furniture to breathe. This helps reduce trapped humidity if the furniture is not regularly used.
