## Pacific Aluminum Dining Chair

Our Pacific Aluminum collection features clean lines with a California rustic essence. A Harbour bestseller and signature style, the Pacific Aluminum Dining Chair is streamlined comfort — enjoy a Batyline sling suspension for added comfort supported by aluminum hardware, all crafted in a powder coated extruded aluminum frame. Our take on the classic director's chair, this piece effortlessly fits in any space, plus it's foldable for easy storage.

### FEATURES

- Frame handcrafted of extruded aluminum in our workshop
- Superior quality powder coating applied for weather resistance
- Batyline mesh sling suspension adds comfort to the sit and overall functionality. Batyline mesh is easy to clean, as well as resistant to fading, stretching and stains.
- Dining chair folds for convenient storage
- Our custom outdoor covers are strongly recommended as an extra layer of protection against the elements and natural aging
- If the furniture will remain covered and not used frequently, we recommend periodically taking off the covers to allow moisture and humidity to dissipate from inside allowing the furniture to breathe. This helps reduce trapped humidity if the furniture is not regularly used.
