Maui High-Back Dining Chair

Designed by Marcel Wanders Studio. Featuring a signature radial rope pattern that creates a sophisticated rhythm, our Maui collection is nomadic luxury. Bold and design-driven, the Maui High-Back Dining Chair is a dynamic addition to your dining table — enjoy a generous seat cushion with a multi-dimensional rounded back hand woven from all-weather taupe rope, all on a sliver of an aluminum plinth base. Refined and yet Bohemian, this conversation piece adds unexpected interest to any dining space. Use it as a head chair mixed with other Maui chairs, or use the high-back style exclusively for a tall and daring look.
