MLB Teak Round Coffee Table

A collaboration with decorated interior designer Martyn Lawrence Bullard, our MLB collection balances modern proportions with a striking juxtaposition of outdoor materials. Inspired by classic French designs, the MLB Round Coffee Table was designed as the perfect anchor for your seating set — featuring a handcrafted frame of solid Indonesian teak in Natural or Charcoal with three angled legs supporting a round travertine top. A truly versatile statement piece, layer this modern round outdoor coffee table into a multitude of aesthetics or leave it as a stand-alone to really let it shine.

FEATURES

- Frame handcrafted of sustainably sourced solid Indonesian teak in our workshop
- When properly maintained and cared for, teak is the ideal outdoor material with its natural resistance to weather, cracking and rotting. Please refer to our Care + Maintenance Guide for additional information about the care and natural beauty of teak
- Travertine stone is a natural product. Expect patterns and textures to be unique to each top.
- Our custom outdoor covers are strongly recommended as an extra layer of protection against the elements and natural aging
- If the furniture will remain covered and not used frequently, we recommend periodically taking off the covers to allow moisture and humidity to dissipate from inside allowing the furniture to breathe. This helps reduce trapped humidity if the furniture is not regularly used.
