

HARBOUR

MLB Teak Dining Chair

A collaboration with decorated interior designer Martyn Lawrence Bullard, our MLB collection balances modern proportions with a striking juxtaposition of outdoor materials. Inspired by indoor sling chairs, the MLB Dining Chair is a standout — enjoy an Olefin sling in Midnight or Sand on a handcrafted solid natural Indonesian teak frame, with a polycloth liner to retain its supportiveness. A truly versatile statement piece, layer this modern outdoor dining chair into a multitude of aesthetics or leave it as a stand-alone to really let it shine. Also available as a lounge chair. Pair it with our MLB Dining Table to complete the outdoor dining set.

FEATURES

- Frame handcrafted of sustainably sourced solid Indonesian teak in our workshop
- When properly maintained and cared for, teak is the ideal outdoor material with its natural resistance to weather, cracking and rotting. Please refer to our Care + Maintenance Guide for additional information about the care and natural beauty of teak
- Back and seat wrapped with taut sling fabric, which will achieve more of a relaxed feel over time
- Our custom outdoor covers are strongly recommended as an extra layer of protection against the elements and natural aging
- If the furniture will remain covered and not used frequently, we recommend periodically taking off the covers to allow moisture and humidity to dissipate from inside allowing the furniture to breathe. This helps reduce trapped humidity if the furniture is not regularly used.
