## Hayman Aluminum Side Table Square

Our Hayman collection is a statement in simplicity with clean angles and modern styling. Defined by wide legs, our Hayman Side Table Square was designed as the perfect addition for your seating set — enjoy a generous surface in slatted extruded aluminum in Asteroid or White that's streamlined yet functional. An indoor aesthetic meets outdoor performance with this modern square side table made for a variety of spaces. Place it next to your outdoor sofa, sectional sofa or poolside Sun Lounge.

### FEATURES

- Frame handcrafted of extruded aluminum in our workshop
- Superior quality powder coating applied for weather resistance
- Our custom outdoor covers are strongly recommended as an extra layer of protection against the elements and natural aging
- If the furniture will remain covered and not used frequently, we recommend periodically taking off the covers to allow moisture and humidity to dissipate from inside allowing the furniture to breathe. This helps reduce trapped humidity if the furniture is not regularly used.
