## Madison Aluminum Round Side Table

Designed to dovetail with any Harbour collection, our Madison collection brings elegance and versatility to the outdoors. The Madison Round Aluminum Side Table is the perfect complement for any seating set — powder coated solid aluminum tube connects the aluminum base and top - an all-around anywhere side table that is easy and functional, while still minimal. Also available in a square shape, this contemporary piece is made for casual entertaining in any outdoor space.

- Frame handcrafted of extruded aluminum in our workshop
- Superior quality powder coating applied for weather resistance
- Our custom outdoor covers are strongly recommended as an extra layer of protection against the elements and natural aging
- If the furniture will remain covered and not used frequently, we recommend periodically taking off the covers to allow moisture and humidity to dissipate from inside allowing the furniture to breathe. This helps reduce trapped humidity if the furniture is not regularly used.
