## Avalon Ottoman

A nod to the Australian surf town of Avalon Beach, our Avalon collection pairs clean lines with practical design for surfside relaxation anywhere. The Avalon Ottoman is the perfect place to put up your feet — featuring a solid teak frame in Natural with tapered legs supporting a plush all-weather cushion available in a range of neutral tones. This effortless outdoor ottoman pairs with our Lounge Chair and elevates any space.

### FEATURES

- Frame handcrafted of sustainably sourced solid Indonesian teak in our workshop
- When properly maintained and cared for, teak is the ideal outdoor material with its natural resistance to weather, cracking and rotting. Please refer to our Care + Maintenance Guide for additional information about the care and natural beauty of teak
- Our custom outdoor covers are strongly recommended as an extra layer of protection against the elements and natural aging
- If the furniture will remain covered and not used frequently, we recommend periodically taking off the covers to allow moisture and humidity to dissipate from inside allowing the furniture to breathe. This helps reduce trapped humidity if the furniture is not regularly used.
