Palm Beach Aluminum Round Dining Table 60"

A nod to Sydney's iconic Palm Beach with its stately coastal pines. Rounded backs, vertical rope detailing and a harmonious mix of materials infuse classic silhouettes with modern elegance. Transitional in spirit, the Palm Beach Aluminum Round Dining Table is a refreshing update to our signature classics—a Parsons-style table crafted in solid teak, angled legs support a travertine top and spotlight a simple, but very thoughtfully connected, design. With mixed materials creating a luxe and dimensional design, this outdoor dining table easily seats up to six and complements a range of styles. Complete your outdoor dining set with the matching dining chairs.

FEATURES

- Our custom outdoor covers are strongly recommended as an extra layer of protection against the elements and natural aging
- If the furniture will remain covered and not used frequently, we recommend periodically taking off the covers to allow moisture and humidity to dissipate from inside allowing the furniture to breathe. This helps reduce trapped humidity if the furniture is not regularly used.
