## Porto Travertine Pill Dining Table 108"

Porto Travertine Pill Dining Table 108" — Extra-Long Outdoor Stone Dining Table with Sculptural Travertine Bases and Bullnose Edge. Bold in scale and refined in detail, the Porto Travertine Pill Dining Table 108" features a pair of sculptural travertine pedestal bases supporting a pill-shaped Natural travertine stone top with a soft bullnose edge. This 108-inch statement piece anchors any luxury patio or garden dining space with organic beauty and architectural balance.

### FEATURES

- Seats 8: Generously sized 108-inch outdoor dining table accommodates intimate dinners or small group gatherings.
- Sculptural Travertine Bases: Dual engineered travertine pedestals provide visual weight and structural stability while elevating the table's architectural presence.
- Pill-Shaped Design: The curved ends to the dining table add a distinctive shape – the travertine top features a bullnose edge, adding a soft, modern silhouette to the outdoor dining setting.
- Natural Travertine Material: Formed by earth deposits—each tabletop features one-of-a-kind veining and color variation for a unique, artisan-crafted look.
- Sealed for Durability: Travertine surface includes a protective sealant; regular cleaning and resealing recommended to maintain beauty and performance.
- Protective Cover Use: Use with custom-fit covers and refer to our Furniture Care Guide for long-term cushion and frame preservation.
