

HARBOUR

MLB Teak Corner

A collaboration with decorated interior designer Martyn Lawrence Bullard, our MLB collection balances modern proportions with a striking juxtaposition of outdoor materials. The MLB Corner is a standout — enjoy a plush deep bench cushion available in a range of neutral tones supported by a slatted solid Indonesian teak frame in Natural or Charcoal featuring dynamic angled legs. From the side, a striking zig-zag shape adds intrigue. A truly versatile and modern statement piece, pair it with 2 or 3 Seat Armless Sofas to extend it as an open concept sectional sofa.

FEATURES

- Frame handcrafted of sustainably sourced solid Indonesian teak in our workshop
- When properly maintained and cared for, teak is the ideal outdoor material with its natural resistance to weather, cracking and rotting. Please refer to our Care + Maintenance Guide for additional information about the care and natural beauty of teak
- Concealed teak slatting supports the sit and allows for proper flow-through of the elements
- 1 seat cushion and 2 knife-edge back cushions included. Resistant to outdoor mildew, stains and fading.
- Quick dry flow-through foam seat cushion features a Dacron wrap for sink-in comfort. Back cushions are filled with Dacron.
- Our custom outdoor covers are strongly recommended as an extra layer of protection against the elements and natural aging
- If the furniture will remain covered and not used frequently, we recommend periodically taking off the covers to allow moisture and humidity to dissipate from inside allowing the furniture to breathe. This helps reduce trapped humidity if the furniture is not regularly used.
