Santorini Outdoor 3 Seat Sofa

Building on our years of experience in outdoor design, the popular fully upholstered Santorini collection offers versatility in modular seating. Our largest sofa, the Santorini Outdoor 3 Seat Sofa, is pure comfort — sink into an extra generous tight seat cushion available in a range of neutral tones with an all-weather suspension system and accent pillows, all floating on a plinth base in a choice of Asteroid aluminum or Natural teak. This easygoing modular sofa can be configured to fit an existing space — and is always adaptable to the next space.

FEATURES

- Layers of multiple dense foam rest atop strapping for extra suspension to create a comfortable outdoor experience.
- Back and arms are filled with foam and wrapped with dacron.
- Aluminum structure fills the cushioned frame and base making the collection not only durable but sturdy.
- Base comes in your choice of an aluminum powder coat or a solid teak base.
- 1 seat cushion and 3 knife-edge back cushions included. Resistant to outdoor mildew, stains and fading.
- Quick dry flow-through foam seat cushion features a Dacron wrap for sink-in comfort. Back cushions are filled with Dacron.
- All fabric and materials used resist mildew, stains and fading outdoors, please see our care and maintenance guide for more information.
- Our custom outdoor covers are strongly recommended as an extra layer of protection against the elements and natural aging
- If the furniture will remain covered and not used frequently, we recommend periodically taking off the covers to allow moisture and humidity to dissipate from inside allowing the furniture to breathe. This helps reduce trapped humidity if the furniture is not regularly used.
