## Santorini Outdoor Slatted Round Dining Table 60"

Inspired by minimal round drum plinth tables, we engineered our extruded aluminum to achieve this look as an exercise in simplicity and bold geometry. A Round aluminum lone drum supports the beveled top aluminum table top, here with slats for easy use and maintenance. Round table is available in 2 sizes and your choice of slatted or stone top- a perfect timeless table

- Frame handcrafted of extruded aluminum in our workshop
- Superior quality powder coating applied for weather resistance
- Choose from a matching aluminum slatted top or travertine stone top
- Table sits 6 guests comfortably
- Our custom outdoor covers are strongly recommended as an extra layer of protection against the elements and natural aging
- If the furniture will remain covered and not used frequently, we recommend periodically taking off the covers to allow moisture and humidity to dissipate from inside allowing the furniture to breathe. This helps reduce trapped humidity if the furniture is not regularly used.
