Santorini Outdoor Armless Dining Chair

Building on our years of experience in outdoor design, the popular fully upholstered Santorini collection offers versatility in modular seating. Our Santorini Outdoor Armless Dining Chair brings the indoors out — enjoy a thick supportive seat cushion with our signature concealed suspension for added comfort, all grounded by an aluminum plinth base. The upholstered back is beautifully tapered, adding elegance and refinement to the silhouette. Classic and proportioned, pair this piece with our Santorini Dining Tables for the full modern look.

FEATURES

- Layers of multiple dense foam rest atop strapping for extra suspension to create a comfortable outdoor experience.
- Back is filled with foam and wrapped with dacron.
- Aluminum structure fills the cushioned frame and base making the collection not only durable but sturdy.
- Fully upholstered chair of materials that are resistant to outdoor mildew, stains and fading.
- Quick dry flow-through foam seat cushion features a Dacron wrap for sink-in comfort. Back cushions are filled with Dacron.
- All fabric and materials used resist mildew, stains and fading outdoors, please see our care and maintenance guide for more information.
- Our custom outdoor covers are strongly recommended as an extra layer of protection against the elements and natural aging
- If the furniture will remain covered and not used frequently, we recommend periodically taking off the covers to allow moisture and humidity to dissipate from inside allowing the furniture to breathe. This helps reduce trapped humidity if the furniture is not regularly used.
