Hayman Aluminum Dining Table 81"

Our Hayman collection is a statement in simplicity with clean angles and modern styling. Defined by wide legs, our Hayman Dining Table 2000 was designed as the perfect outdoor table for up to eight — enjoy a small rectangular surface in slatted extruded aluminum available in Asteroid or White that's streamlined yet functional. An indoor aesthetic meets outdoor performance with this modern dining table made for a variety of spaces, especially smaller ones. Add our Hayman dining chairs to complete your outdoor dining set.

FEATURES

- Frame handcrafted of extruded aluminum in our workshop
- Superior quality powder coating applied for weather resistance
- Table sits 6-8 guests comfortably
- Our custom outdoor covers are strongly recommended as an extra layer of protection against the elements and natural aging
- If the furniture will remain covered and not used frequently, we recommend periodically taking off the covers to allow moisture and humidity to dissipate from inside allowing the furniture to breathe. This helps reduce trapped humidity if the furniture is not regularly used.
