Victoria Aluminum Swivel Lounge Chair

Our Victoria collection balances sculptural curves and right angles for true simplicity of proportion. The Victoria Swivel Lounge Chair is our take on the mid-century tripod chair, now updated onto a swivel plinth base for ease of motion and comfort — enjoy plush all-weather seat and back cushions supported by a slatted suspension with a striking rounded frame in powder coated extruded aluminum. Tailored and sophisticated, this contemporary piece brings harmony to a variety of spaces.

FEATURES

- Frame handcrafted of extruded aluminum in our workshop
- Curved back offers comfort in a modern design
- Aluminum Swivel Mechanism allowing 360 degree smooth turning
- Superior quality powder coating applied for weather resistance
- Concealed aluminum slatting supports the sit and allows for proper flow-through of the elements
- 1 seat cushion and 1 knife-edge back cushion included. Resistant to outdoor mildew, stains and fading.
- Quick dry flow-through foam seat cushion features a Dacron wrap for sink-in comfort. Back cushion is filled with Dacron.
- Our custom outdoor covers are strongly recommended as an extra layer of protection against the elements and natural aging
- Swivel mechanism rotates in a continuous 360 degree swivel; the swivel does not spin-back to an original orientation, but remains as last positioned.
- If the furniture will remain covered and not used frequently, we recommend periodically taking off the covers to allow moisture and humidity to dissipate from inside allowing the furniture to breathe. This helps reduce trapped humidity if the furniture is not regularly used.
