Tahiti Armless Dining Chair

Our Tahiti collection blends organic materials with refined construction. The Tahiti Armless Dining Chair brings together style and comfort — enjoy a plush all-weather seat cushion on a solid Indonesian teak slatted frame. A play on linear geometric and curved radiuses, this statement design adds an exclamation point on any outdoor space.

FEATURES

- Frame handcrafted of sustainably sourced solid Indonesian teak in our workshop
- When properly maintained and cared for, teak is the ideal outdoor material with its natural resistance to weather, cracking and rotting. Please refer to our Care + Maintenance Guide for additional information about the care and natural beauty of teak
- Slatted frame allows the teak to naturally expand and contract with changing weather
- 1 seat cushion included. Resistant to outdoor mildew, stains and fading.
- Quick dry flow-through foam seat cushion features a Dacron wrap for sink-in comfort
- Our custom outdoor covers are strongly recommended as an extra layer of protection against the elements and natural aging
- If the furniture will remain covered and not used frequently, we recommend periodically taking off the covers to allow moisture and humidity to dissipate from inside allowing the furniture to breathe. This helps reduce trapped humidity if the furniture is not regularly used.
