Victoria Teak Round Dining Table 1500

Our Victoria Teak collection balances sculptural curves and right angles for true simplicity of proportion. The Victoria Round Dining Table 1500 was designed as the perfect outdoor table for up to eight — featuring a stunning curved frame in solid natural Indonesian teak echoed in the rounded edges of the plank legs, supporting a slab of beautiful travertine stone in Cream. Our smaller round table, this contemporary dining table brings harmony to a variety of outdoor spaces. Pair it with our Victoria dining chairs to complete the outdoor dining set.

FEATURES

- Frame handcrafted of sustainably sourced solid Indonesian teak in our workshop
- When properly maintained and cared for, teak is the ideal outdoor material with its natural resistance to weather, cracking and rotting. Please refer to our Care + Maintenance Guide for additional information about the care and natural beauty of teak
- Slatted top allows the teak to naturally expand and contract with changing weather
- Table sits 6 guests comfortably
- Our custom outdoor covers are strongly recommended as an extra layer of protection against the elements and natural aging
- If the furniture will remain covered and not used frequently, we recommend periodically taking off the covers to allow moisture and humidity to dissipate from inside allowing the furniture to breathe. This helps reduce trapped humidity if the furniture is not regularly used.
