

HARBOUR

MLb Teak Dining Table 106"

A collaboration with decorated interior designer Martyn Lawrence Bullard, our MLB collection balances modern proportions with a striking juxtaposition of outdoor materials. The MLB Dining Table 2600 was designed as the perfect outdoor table for up to ten — featuring a handcrafted frame of solid natural Indonesian teak with rounded edges on two straight plank legs. But the real luxury is a live-edged top that embraces the natural grain of the wood, accented with brass detail for a contemporary touch. A truly versatile statement piece, layer this modern rectangular outdoor dining table into a multitude of aesthetics or leave it as a stand-alone to really let it shine. Pair it with any MLB dining chair to complete the outdoor dining set.

FEATURES

- Frame handcrafted of sustainably sourced solid Indonesian teak in our workshop
- When properly maintained and cared for, teak is the ideal outdoor material with its natural resistance to weather, cracking and rotting. Please refer to our Care + Maintenance Guide for additional information about the care and natural beauty of teak
- Table sits 8–10 guests comfortably
- Our custom outdoor covers are strongly recommended as an extra layer of protection against the elements and natural aging
- If the furniture will remain covered and not used frequently, we recommend periodically taking off the covers to allow moisture and humidity to dissipate from inside allowing the furniture to breathe. This helps reduce trapped humidity if the furniture is not regularly used.
