Palm Beach Aluminum Lounge Chair

A nod to Sydney's iconic Palm Beach with its stately coastal pines. Rounded backs, vertical rope detailing and a harmonious mix of materials infuse classic silhouettes with modern elegance. Transitional in spirit, the Palm Beach Aluminum Lounge Chair is a refreshing update to our signature classics—enjoy a luxuriously low seat cushion with a knife-edge back pillow on a supportive slatted suspension in the just-released colorway of Stone. The powder coated extruded aluminum frame features vertically woven all-weather rope and plays with materials and form. In the back, a single leg adds style and interest, echoing the tripod construction of the collection's chairs. Available in a swivel style, this comfort-driven piece seamlessly blends with many styles and in many outdoor spaces.

FEATURES

- Concealed teak slatting.
- 1 seat cushion and 1 knife-edge back cushion included.
- Resistant to outdoor mildew, stains and fading.
- Seat cushion features velcro straps to properly secure to the frame.
- Quick dry flow-through foam seat cushion features a Dacron wrap for sink-in comfort.
- Back cushion is filled with Dacron.
- Stitch type is single exposed.
- Our custom outdoor covers are strongly recommended as an extra layer of protection against the elements and natural aging
- If the furniture will remain covered and not used frequently, we recommend periodically taking off the covers to allow moisture and humidity to dissipate from inside allowing the furniture to breathe. This helps reduce trapped humidity if the furniture is not regularly used.
