## Hamilton Dining Table 102"

Our Hamilton collection pairs clean lines with practical design. The Hamilton Dining Table 102"" was designed as the perfect outdoor table for up to ten — enjoy an extruded aluminum base in Asteroid or Taupe with a matching slatted top and curved edges that echo the curved backs of the collection. The larger of our rectangular dining tables, this effortless contemporary dining table is made to be incredibly versatile, elevating any space. Pair it with our Hamilton dining chair to complete your outdoor dining set.

### FEATURES

- Frame handcrafted of extruded aluminum in our workshop
- Superior quality powder coating applied for weather resistance
- Table sits 8-10 guests comfortably
- Our custom outdoor covers are strongly recommended as an extra layer of protection against the elements and natural aging
- If the furniture will remain covered and not used frequently, we recommend periodically taking off the covers to allow moisture and humidity to dissipate from inside allowing the furniture to breathe. This helps reduce trapped humidity if the furniture is not regularly used.
