## Antigua Swivel Lounge Chair

Our Antigua collection brings European styling and a new vision of rope to the coastal lifestyle. Subtle curves set our Antigua Swivel Lounge Chair apart — and hug the body into a deep and comfortable seat featuring a generous, plush cushion available in a range of neutral hues floating on a concealed swivel base. But the real luxury is the ability to place this versatile and modern outdoor swivel lounge chair in any space for maximum impact.

### FEATURES

- Frame handcrafted of extruded aluminum in our workshop
- Back and arms hand wrapped with all-weather Olefin rope, a defining feature of the collection that adds comfort and visual interest
- Swivel base allows for easy rotation
- Superior quality powder coating applied for weather resistance
- 1 seat cushion and 1 knife-edge back cushion included. Resistant to outdoor mildew, stains and fading.
- Quick dry flow-through foam seat cushion features a Dacron wrap for sink-in comfort. Back cushions are filled with Dacron.
- Our custom outdoor covers are strongly recommended as an extra layer of protection against the elements and natural aging
- Swivel mechanism rotates in a continuous 360 degree swivel; the swivel does not spin-back to an original orientation, but remains as last positioned.
- If the furniture will remain covered and not used frequently, we recommend periodically taking off the covers to allow moisture and humidity to dissipate from inside allowing the furniture to breathe. This helps reduce trapped humidity if the furniture is not regularly used.
