Hayman Aluminum Lounge Chair

Our Hayman collection is a statement in simplicity with clean angles and modern styling. Defined by its wide arms, our low-profile Hayman Lounge Chair was designed to be experienced — sink into ultimate relaxation with a cushion for deep seating available in a range of neutral tones supported by a Batyline sling suspension in White or Silver for added comfort, all crafted in a powder coated extruded aluminum frame available in White or Asteroid. Indoor comfort meets outdoor performance with this modern lounge chair made for a variety of patio and pool spaces. Pair it with an Ottoman to really kick back and unwind.

FEATURES

- Frame handcrafted of extruded aluminum in our workshop
- Superior quality powder coating applied for weather resistance
- Concealed Batyline mesh sling suspension adds comfort to the sit and overall functionality. Batyline mesh is easy to clean, as well as resistant to fading, stretching and stains.
- 1 seat cushion and 1 box back cushion included. Resistant to outdoor mildew, stains and fading.
- Quick dry flow-through foam seat cushion features a Dacron wrap for sink-in comfort. Back cushion is filled with Dacron.
- Our custom outdoor covers are strongly recommended as an extra layer of protection against the elements and natural aging
- If the furniture will remain covered and not used frequently, we recommend periodically taking off the covers to allow moisture and humidity to dissipate from inside allowing the furniture to breathe. This helps reduce trapped humidity if the furniture is not regularly used.
