FEATURES

- Solid aluminum structure and base, powdercoated in premium paint for protection.
- Back of the chair is handwoven in our twisted all-weather Olefin rope.
- Plush round seat cushion and 3 loose knife-edge back pillows included. Resistant to outdoor mildew, stains and fading.
- 360-degree concealed swivel base.
- Quick dry flow-through foam seat cushion features a Dacron wrap for sink-in comfort. Back cushions are filled with Dacron.
- Our custom outdoor covers are strongly recommended as an extra layer of protection against the elements and natural aging.
