Santorini Outdoor Stone Round Dining Table 48"

Inspired by minimal round drum plinth tables, we engineered our extruded aluminum to achieve this look as an exercise in simplicity and bold geometry. A Round aluminum lone drum supports the beveled top engineered in Travertine stone - supported by our aluminum honeycomb sub structure for support and resilience. Round table is available in 2 sizes (48 and 60" Diameter) and you choice of slatted or stone top- a perfect timeless table

- Frame handcrafted of extruded aluminum in our workshop
- Superior quality powder coating applied for weather resistance
- Choose from a matching aluminum slatted top or travertine stone top -Stone top is a natural material with variations but supported by an aluminum honeycomb sub structre. The stone is sealed for extra protection as well
- Table sits 4 guests comfortably
- Our custom outdoor covers are strongly recommended as an extra layer of protection against the elements and natural aging
- If the furniture will remain covered and not used frequently, we recommend periodically taking off the covers to allow moisture and humidity to dissipate from inside allowing the furniture to breathe. This helps reduce trapped humidity if the furniture is not regularly used.
