## Lca Dining Chair

Our LCA collection is a mixed-material take on the classic director's chair. The LCA Dining Chair is our most luxe folding chair — enjoy a Batyline mesh seat on a solid aluminum frame that's heavy, sturdy and nearly indestructible. Solid teak arms add contemporary contrast, plus keep the arms cool in the sun. An outdoor staple, this chair enhances any space and will be a favorite for years to come.

### FEATURES

- Frame handcrafted of extruded aluminum in our workshop
- Superior quality powder coating applied for weather resistance
- Batyline mesh sling suspension adds comfort to the sit and overall functionality. Batyline mesh is easy to clean, as well as resistant to fading, stretching and stains.
- Dining chair folds for convenient storage
- Our custom outdoor covers are strongly recommended as an extra layer of protection against the elements and natural aging
- If the furniture will remain covered and not used frequently, we recommend periodically taking off the covers to allow moisture and humidity to dissipate from inside allowing the furniture to breathe. This helps reduce trapped humidity if the furniture is not regularly used.
