Hayman Aluminum Swivel Lounge Chair

Our Hayman collection is a statement in simplicity with clean angles and modern styling. The swivel version of our lounge chair, our low-profile Hayman Swivel Lounge Chair was designed to be experienced — sink into ultimate relaxation with a cushion for deep seating available in a range of neutral tones supported by a Batyline sling suspension in White or Silver for added comfort, all crafted in a powder coated extruded aluminum frame available in White or Asteroid. The swivel feature is both practical and playful. Indoor comfort meets outdoor performance with this modern lounge chair made for a variety of patio and pool spaces.

FEATURES

- Frame handcrafted of extruded aluminum in our workshop
- Superior quality powder coating applied for weather resistance
- Swivel base allows for easy rotation
- Concealed Batyline mesh sling suspension adds comfort to the sit and overall functionality. Batyline mesh is easy to clean, as well as resistant to fading, stretching and stains.
- 1 seat cushion and 1 box back cushion included. Resistant to outdoor mildew, stains and fading.
- Quick dry flow-through foam seat cushion features a Dacron wrap for sink-in comfort. Back cushion is filled with Dacron.
- Our custom outdoor covers are strongly recommended as an extra layer of protection against the elements and natural aging
- Swivel mechanism rotates in a continuous 360 degree swivel; the swivel does not spin-back to an original orientation, but remains as last positioned.
- If the furniture will remain covered and not used frequently, we recommend periodically taking off the covers to allow moisture and humidity to dissipate from inside allowing the furniture to breathe. This helps reduce trapped humidity if the furniture is not regularly used.
