## Leo Stacking Dining Chair

Stackable sophistication. Defined by a mix of lightweight aluminum tube and rope detail in the sit, this design chameleon effortlessly fits with a range of dining table styles – and even works as an occasional chair in smaller spaces.

|                     |                  |
|---------------------|------------------|
| <b>Width:</b>       | 23 in / 585 cm   |
| <b>Depth:</b>       | 21.5 in / 546 cm |
| <b>Height:</b>      | 29.3 in / 743 cm |
| <b>Weight:</b>      | 11 lb / 5 kg     |
| <b>Seat height:</b> | 20.6 in / 524 cm |
| <b>Arm height:</b>  | 26.1 in / 662 cm |
