

Zee

The Zee collection by Grey Design Studio is a striking fusion of sophisticated Italian design & everyday functionality. Its elegant form wraps around the sitter, offering both visual appeal & exceptional comfort. The gently flexing back provides a responsive sit, enhancing relaxation without compromising support. Versatile in application, Zee is available as a stacking chair, side/guest chair, bar or counter-height stool, and light task swivel chair or stool—making it a stylish & adaptable seating solution for any space. With its sleek silhouette & vibrant color options, Zee brings effortless elegance wherever it's placed.

Design by Grey Design Studio

Grey Design Studio, founded in 2007, is dedicated to designing and well-known particularly in the outdoor, furniture, lighting and houseware industry for which it has received several international awards and has been published in numerous specialized magazines.

Smart Features

1) Open Back Single Shell Design: The Zee collection features a sculpted shell that curves around the body, providing a welcoming poly seat with integrated arms.

2) Integrated Arms: The Zee collection's sculpted shell includes built-in arms that provide a comfortable and supportive seating experience, enhancing both design and functionality.

3) Upholstered Seat Pad Option: Enhances comfort and allows designers to apply various patterns and colors, adding style and personalization to the Zee collection.

4) Versatile Base Options: Including metal 4-leg bases with footrests for bar and counter stools, wood framework for guest chairs & high-profile and low-profile swivel bases—allowing customization to suit diverse environments and functional needs.
