

BONALDO

Circus

Designer: Fabrice Berrux

Circus is a fixed design round table which draws on the laws of physics for its contrast of quite different geometric shapes: the impressive and striking central base is surmounted by a large disc-shaped top, evoking a pleasant sensation of movement. The table acquires strength and elegance in a unique balancing act, becoming the real star of the living area. The top is available in solid wood, ceramic or marble, and it adapts perfectly to the style of the house, blending harmoniously with the environment without, however, losing its uniqueness. The metal base is available in different versions, including elegant bronze, lead, pearl gold, and burnished, clouded chrome, dark nickel and brown nickel finishes.
