Notes

- The stitching colour is always in tone on tone thread for both fabrics and leathers
- Combination of different colours of the same fabric is not available
- The seats can feature single or double stitched seam according to the selected element and upholstery
- Given the asymmetric shape of the seating elements, the dimensions of the compositions do not correspond to the sum of the dimensions of the single elements

Note

- Il colore della cucitura è sempre in filo tono su tono sia per i tessuti che per le pelli
- Non sono possibili accostamenti di colore differenti dello stesso tessuto
- I moduli possono avere cucitura singola o a due aghi a seconda del codice e del rivestimento selezionati
- Data la forma asimmetrica dei moduli, le dimensioni delle composizioni non corrispondono alla somma delle dimensioni degli elementi singoli
